Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at its discretion, but in the event of a secrecy order, the USPTO will delay the publication of an application until the secrecy order expires. The secrecy order must be in effect for at least 6 months from the date of filing of the application. This application will be deemed to be published at the expiration of 6 months from the filing date or 20 days from the date of the secrecy order, whichever is later. The USPTO will not publish an application if the secrecy order is in effect for more than 6 months from the date of filing of the application.
